# Policy inclusions and choices

## Single Trip or Annual Multi-Trip

You can choose a policy to cover one Single Trip or, if You are a frequent traveller, rather than buying a Single Trip policy each time You travel, You may want to buy an Annual Multi-Trip policy.

With Our Annual Multi-Trip policy You can select from the available choices, a Journey duration to suit Your needs and be covered for an unlimited number of Journeys more than 250 kilometres from Home during the Period Of Insurance up to the maximum Journey duration chosen.

## Areas of travel

Where You travel will influence Your premium.

**Single Trip:** You will need to choose the main destination based on where You will spend the most time on Your Journey.

**Annual Multi-Trip:** You will need to choose the area which will cover all of Your trips for the year. If You select an international area, this also includes cover for travel more than 250 kilometres from Home.

### Note:

- If 20% or more of any Journey will be spent in the Americas or Africa, You must nominate the area including these countries as the main destination.
- If You are travelling inbound to Australia, You can only select Inbound, Single Trip option; You must be under 70 years of age at the Relevant Time; and there is no cover for any Existing Medical Conditions other than those We automatically include.

## Choose Your excess

When travelling internationally You can choose Your excess. We currently have the below excess choices available. Other excess amounts may be available.

The higher the excess You choose, the lower the premium. Your excess will be shown on Your Certificate of Insurance.

- \$0 excess • \$100 excess • \$250 excess

An excess of \$50 applies to the Domestic plan and \$25 to the Domestic Cancellation plan.

## Cancellation cover

Our Plans do not automatically include cancellation cover however, We allow You to select the amount of cancellation cover that suits You.

Select an amount from the options available at the time of applying for cover. The level of cancellation cover You choose will influence Your premium. Typically people look to choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on the policy. The level of cover You choose will be shown on Your Certificate of Insurance and will be the total amount of cover available under:

- SECTION 3: Amendment Or Cancellation Costs pages 50-52 on a per policy basis on Comprehensive Care International and Domestic; Essentials Care International and Inbound; and
- SECTION 2: Additional Expenses, SECTION 3: Amendment Or Cancellation Costs and SECTION 4: Travel Services Provider Insolvency combined, on a per person basis on Domestic Cancellation.

## Premium luggage cover – New for old

### **Available on Comprehensive Care International and Domestic**

Where You have purchased Your luggage items new within the last 2 years (from the date of loss) and You provide a receipt, We will not deduct depreciation from those items in the event of a claim.

## Extending Your Journey

If You wish to be insured for longer than the original period, You need to purchase a new policy from Your travel consultant prior to the expiry date shown on Your original Certificate of Insurance. It is not an extension of the previous policy.

It is important to note that should a medical condition present itself prior to the time of issue of the new policy, it may be considered an Existing Medical Condition under the new policy and therefore may not be covered by the new policy.

Purchasing a longer duration policy up front may avoid this risk. Restrictions on duration may apply.

## Money back guarantee

You can cancel or change Your policy at any time before You leave Home. If You cancel this policy for any reason within the cooling off period which is within 15 working days of the date of purchase, We will give You Your money back.

Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the providing entity within the cooling off period.

## Cruise Cover Add-on

### **Available on Comprehensive Care International, Essentials Care International and Inbound**

Claims directly or indirectly for or related to Your multi-night cruise, and multi-night cruise travel or that arise whilst on a multi-night cruise are specifically excluded by this policy.

To obtain cover under this policy for Your cruise and cruise travel, You must select Cruise Cover and pay an additional premium and Cruise Cover will be shown on Your Certificate of Insurance. Please ask for a quote.

For all cruise travel: Benefits 1-18 (on Comprehensive Care International) and Benefits 1, 2, 3, 13 and 19 (on Essentials Care International or Inbound) only apply if Cruise Cover is selected and the additional premium is paid. The Cruise Cover benefits will also be included. See pages 66-69.

# Optional Add-ons

## Luggage and travel documents cover

### Your belongings

When You're at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings.

If You do not take good care of Your belongings We may not be able to pay Your claim.

Not all belongings are covered by the policy.

### What does this mean?

- Keep Valuables with You (where security regulations allow You to do so) rather than checking them in with the Transport Provider.
- Do not leave Valuables in a motor vehicle at any time. **"Valuables"** means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.
- A maximum limit of \$2,000 applies to any other items left during the day in the boot of a locked motor vehicle. Also, don't leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (P.I.R.) is also required if Your items were lost or stolen when travelling with an airline.

# Travel and health

## **Do You have an Existing Medical Condition?**

Claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

### **What does this mean?**

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

### **Assessing Your health**

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

## Existing Medical Conditions

### (Of You or Your travelling companion)

Cover for claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If additional cover is applied for and approved, an extra premium may apply.

### What is an Existing Medical Condition?

**“Existing Medical Condition”** means a disease, illness, medical or dental condition or physical defect that at the Relevant Time meets any one of the following:

- a) has required an emergency department visit, hospitalisation or day surgery procedure within the last two years;
- b) requires
  - (i) prescription medication from a qualified medical practitioner or dentist;
  - (ii) regular review or check-ups;
  - (iii) ongoing medication for treatment or risk factor control;
  - (iv) consultation with a specialist;
- c) has
  - (i) been medically documented involving the brain, circulatory system, heart, kidneys, liver, respiratory system or cancer;
  - (ii) required surgery involving the abdomen, back, joints or spine;
  - (iii) shown symptoms or signs however, a medical opinion or investigation has not been sought to confirm or provide a diagnosis; or
- d) is
  - (i) chronic or ongoing (whether chronic or otherwise) and medically documented;
  - (ii) under investigation;
  - (iii) pending diagnosis; or
  - (iv) pending test results.

**“Relevant Time”** in respect of:

- a) Single Trip policies means the time of issue of the policy.
- b) Annual Multi-Trip policies means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

If You are unsure whether You have an Existing Medical Condition, please call Cover-More on 1300 130 896 for assistance.

## Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

## Completing a health assessment

You can complete an online health assessment with Your travel consultant or by using a web link Your travel consultant can give You. You may also contact Cover-More for assistance.

- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.
- For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure.
- Check all Existing Medical Conditions have been disclosed to Us.
- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay an extra premium.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You. Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

## Conditions to pay particular attention to

### Chronic lung conditions

If You have a chronic lung condition\*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

\*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

#### What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

### Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease\*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

\*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

#### What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

## Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims directly or indirectly arising from or exacerbated by the underlying medical condition or a new infection.

### **What does this mean?**

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azothiapriner or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

### **Other Existing Medical Conditions which cannot be covered**

Under no circumstances is cover available on this policy for claims directly or indirectly arising from or exacerbated by:

- Your Terminal Illness;
- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment, even if Your Existing Medical Condition has been approved; or
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

## Travel and the health of other people in Australia (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with You who live in Australia.

We can only consider claims by You arising from the health or death of a Relative or Your business partner who live in Australia and are not travelling with You if at the Relevant Time that person:

- had not been hospitalised in the previous 2 years for a condition that was directly or indirectly arising from or related to the condition that caused the claim;
- did not reside in a nursing home or require similar home care assistance;
- was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- did not have a drug or alcohol addiction; and
- did not have a Terminal Illness.

Claims caused by the health of other people (those people not listed above) are not covered by the policy.

## Pregnancy

### Are You pregnant?

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“**Relevant Time**” in respect of:

- a) Single Trip policies means the time when the policy is issued.
- b) Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote.

If You have any questions about the online assessment or prefer to talk with a customer service agent, please call Cover-More on 1300 130 896 for assistance.

### Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

### What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 20 weeks gestation as costs for childbirth and neonatal care overseas can be expensive.

Alternatively, another financial services licensee or its authorised representatives may arrange for the issue of this insurance.

The person who provides You with this PDS is the providing entity. The capacity in which they act is displayed in the Financial Services Guide at the back of this booklet.

## When and how benefits are provided

The benefits for which You are insured under this policy are payable:

- when an insured event occurs during the Period Of Insurance causing You to suffer loss or damage or incur legal liability; and
- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for specified Additional expenses;
- pay the person or provider to whom You are legally liable;
- pay the cash value, repair cost or arrange replacement of Your personal items (after deducting reasonable depreciation where applicable); or
- pay You.

- limits on the cover provided and the amounts We will pay You (including any excess that applies);
- Words with special meaning found in the Policy Wording on pages 37-40;
- maximum benefit limits shown in the relevant “Benefits table” on pages 4-5 and 6; and
- Policy Conditions and General Exclusions found in the Policy Wording on pages 41-73.

## Change of terms and conditions

From time to time and where permitted by law, We may change parts of the Combined FSG/PDS. We will issue a new Combined FSG/PDS or a Supplementary FSG or PDS or other compliant document to update the relevant information except in limited cases. Any updates which are not materially adverse to You from the view of a reasonable person deciding whether to buy this insurance, may be found on [www.covermore.com.au](http://www.covermore.com.au). You can obtain a paper copy of any updated information without charge by calling 1300 130 896.

## Your duty of disclosure

Before You enter into this contract of insurance, You have a duty of disclosure under the Insurance Contracts Act 1984 (Cth). The duty applies until (as applicable) We first enter into the policy with You, or We agree to a variation, extension or reinstatement with You.

### Answering Our questions

In all cases, if We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

### Variations, extensions and reinstatements

For variations, extensions and reinstatements You have a broader duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

### If You do not tell Us something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

## Code of Practice

The insurer is a signatory to the General Insurance Code of Practice (Code) which is developed by the Insurance Council of Australia.

The Code sets out high standards of service that general insurers must meet when consumers are buying insurance, making claims, experiencing financial hardship, requesting information or wanting to make a complaint.

To obtain more information on the Code and the rights You may have under it please contact us or visit [www.codeofpractice.com.au](http://www.codeofpractice.com.au).

## The amount You pay for this insurance

You can obtain a quote from the providing entity. The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as GST and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance. If You wish to change Your policy in any way please contact us.

## How various factors affect the Amount Payable

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

- **Area** – higher risk areas cost more.
- **Departure date and trip duration** – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- **Age** – higher risk age groups cost more.
- **Plan** – Comprehensive Care International, which provides more cover, costs more than International Essentials or Domestic.
- **Excess** – the higher the excess the lower the cost.
- **Cruise cover** – additional premium applies.
- **Cancellation cover** – on some policies You can choose Your own level of cancellation cover. The more cancellation cover You require, the higher the cost may be.
- **Adding cover for Existing Medical Conditions and pregnancy** (where available) – additional premium may apply if a medical assessment is completed and cover is accepted by Us.
- **Add-on cover options** (where available) – additional premium applies.

## How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- the maximum benefit limits and sub-limits;
- reasonable depreciation; and
- the terms and conditions of the policy.

The following example illustrates how We will calculate claim settlement.

- Your new digital camera with an original purchase price of \$4,500 is stolen from a hotel room.
- You are travelling on Comprehensive Care International.
- You have chosen the nil excess option.
- You have not paid an additional amount to increase the standard item limit.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the video camera – \$4,500 (no depreciation applies because the video camera was new).
- Consider the maximum benefit limit for Luggage and Travel Documents – \$15,000.
- Consider the maximum item limit payable for cameras and video equipment – \$4,000. This item limit applies in this case.
- Consider the excess chosen. As You have chosen the nil excess option, no excess is deducted. This results in a claim settlement of \$4,000 or We may choose to replace the item through a supplier of Our choice.
